

SPOT Universal Remote Controller (CoSS) Model. LS136

Setting up your LifeSmart SPOT Universal Remote Controller (CoSS)

User Guide Version 1.0

PRODUCT INTRODUCTION

SPOT, a Universal Remote Controller, a fantastic product to simplify your life. It does not only simply replace the traditional remote controls, but also interacts with other LifeSmarts products via Smart Station. Televisions, air conditioners, fans, any IR device can be controlled by this SPOT. It functions as a night light as well, with 16 million light colors at your choice. By an easy setup, the SPOT can trigger the lighting, the sound and other home appliances intelligently. With the help of LifeSmart Cloud services and other amazing technologies, every single home will become a smart home, every single office will become a smart office.

LifeSmart, Simply Brilliant.

EASY SETUP

SPOT requires the LifeSmart App and LifeSmart Account to operate. For this product, no Smart Station is needed. Please download the App to your smart devices. The App is available by scanning the following QR Code or download directly from Google Play or iOS App Store.

▶ Method 1

▶ Method 2

- ① Open the LifeSmart App and initiate "Add Device".
- ② Connect the SPOT to a power source. The SPOT will glow in white. Wait around 10 seconds until the SPOT changes to green. Then click the "Start" button.
- ③ Follow the instructions in the App to complete the setup.
- ④ Now you are ready to add and control your home appliances with the SPOT.
- ⑤ Add remote control codes to your App, set schedules to activate your devices , or use one-button function to trigger multiple devices.
- ⑥ Optionally, add the LifeSmart Smart Station to your Smart Home System .With our sensors and other LifeSmart's products, more smart scenes and linkages can be realized.

WARRANTY DESCRIPTION

Thank you for purchasing LifeSmart products. In order to protect your rights, please read the following content carefully: The warranty period of our company's products is one year from the date of purchase. Or longer if local laws impose a longer minimum term, in which case the minimum term is the warranty period. During the warranty period, any faults caused by the product itself or for quality problems that arise under normal usage, LifeSmart will provide a free replacement.

ATTENTION

The following conditions are not covered by the warranty:

- Product failure or damage caused by installation, use, and maintenance that is not in accordance with the product instructions;
- Products beyond the warranty period;
- Products that have the barcode tampered with or removed;
- Devices that have been tampered with or customized outside of LifeSmart Terms Of Service as on the LifeSmart App and website;
- User-caused damage, such as inappropriate voltage input, high temperature, accidental spillage, physical damage, etc;
- Product failure or damage caused by force majeure such as earthquakes, fires, or floods;
- Product failure or damage caused by other problems except the product itself.
